VBWC-01

Varkon Body Worn Camera

- Standard IP66, Upto IP68
- IR Night vision
- Ultra HD video
- GPS positioning
- LCD Colour Display
- Upto 40 Mega Pixel
- Password protection
- Remote Real-time talk
- One key alarm function
- 3500 mAh Battery Li-ion
- Live Streaming (Optional)
- 4G & Wi-Fi connectivity
- Upto 256 GB Internal Storage
- One Click Photo / Recording
- Click photo While Recording
- Broadcasting through Dispatcher
- Remote Real-time monitoring / location
- Video and audio simultaneous recording
- Laser Pointer, Flash Enabled on Single Click
- Unauthorized personnel can not tamper and delete files

VBWC-01 Body worn Camera is a wearable audio, video, or photographic recording system. It has the ability to stream in real time from the camera through a WIFI, 4G-LTE network. High quality video can now be seen live anywhere in the world allowing real-time situational awareness and decision making. This ability has the potential to completely transform certain incident handling and outcomes, giving our users a totally new tool to enhance their effectiveness. **VBWC-01** has a range of uses and designs, of which the best-known use is as a part of law enforcement to record their interactions with the public, or gather video evidence at crime scenes. Other uses include action cameras for social and recreational, commercial, healthcare, military, journalism and citizen surveillance.
